

**exclusive furniture  
for demanding**

The **4Rico** furniture combines functionality and comfort. The hockers and make-up chairs available in their offer are distinguished by a wide selection of patterns, colors and upholstery materials. They will be a sophisticated accent of any space – both in professional and home use.

**practical  
using**

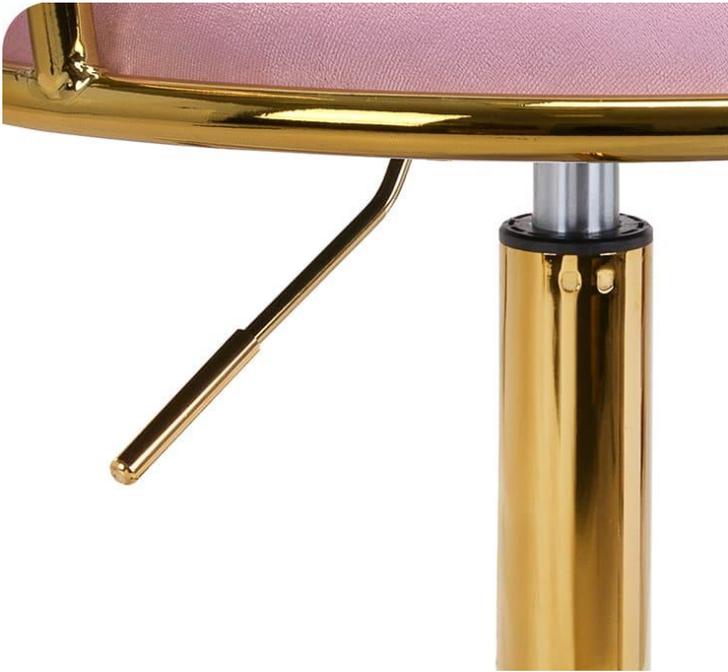

*ideally suited for  
professional surgeries,  
the office, or an  
elegant reception area*

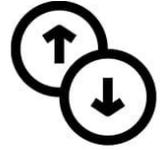

#### **Stylish, functional chair**

The elegant **4Rico QS-GW01G chair** with an intriguing braiding on the backrest and polished elements in shades of gold, upholstered with a pleasant-to-the-touch material, will fit into any interior. The furniture **is distinguished by elegance** and is extremely versatile – **it is perfect for professional salons**, including a beauty salon, nail salon, office or elegant reception area. It is also perfect for home use.

gas  
lift

*height adjustment  
in the range of 41-57 cm  
and stable base  
provide comfort of work*

### Significant adjustment possibilities

The **efficient gas lift** allows for easy and smooth adjustment of the seat height **between 41-57 cm**. This makes it possible to adjust the chair to individual needs and the services performed, **ensuring high comfort of use** – whether during makeup, eyebrow styling or other activities. **The full rotation mechanism** improves the efficiency and comfort of work. **A properly profiled backrest** provides comfortable seating, back support and **facilitates proper shoulder positioning**.

convenient  
solutions

*mechanism full  
rotation and armrests  
make it easier to  
take comfortable position*

### Elegant design for comfort of use

**The finish makes the furniture eye-catching**. The pleasant-to-the-touch, velvet upholstery in shades of pink gives it a unique character. The base in shades of gold adds elegance, perfectly matching the velvet. **Functional wheels provide mobility**, making it easier to move the chair and move around the salon while working. Careful workmanship, comfort of use and aesthetically interwoven material on the profiled backrest make the chair **will meet the requirements of even the most demanding users**.

| **good  
quality**

*functional wheels and  
contoured backrest make  
the chair will meet the  
requirements of of each user*
