Significant adjustment possibilities

The **efficient gas lift** allows for easy adjustment of the seat height **within 47-59 cm**. This allows the chair to be adjusted to individual needs and the services performed, **ensuring high comfort of use** – both when applying makeup, eyebrow styling, and during other activities. The chair is equipped with a **full rotation mechanism**, which improves work efficiency and comfort. The **profiled backrest** provides adequate back support, and the cushion mounted on the seat with Velcro increases the comfort of use. The opening between the backrest and the seat **makes it easier to keep the salon clean**.

Minimalist design for comfort of use

The **simple finish** makes the furniture eye-catching. The pleasant-to-the-touch, velvet upholstery in shades of black gives it a **unique character**. The base in shades of gold adds elegance, perfectly matching the velvet, and **the functional wheels ensure mobility**, making it easier to move the chair around the salon while working. Aesthetics of workmanship, comfort of use and ergonomically profiled backrest make the chair **meet the requirements of even the most demanding users**.
